CGCDF/PUR/SMP-PKG/

Date: -

SCHEDULE – I (GENERAL TERMS AND CONDITIONS)

The Chhattisgarh Rajya Sahakari Dugdh Mahasangh Maryadit (CGCDF) invites sealed tenders from bonafide manufacturers / association of such manufacturers and their authorized representatives for conversion of surplus milk into Skimmed Milk Powder (SMP) and or Dairy Whitener alongwith its packing on work-charge basis, as per detailed specifications given in the Schedule II of the offer.

.The Managing Director, CGCDF reserves the right to accept or reject any or all the offers which in their opinion justify such actions without any explanation to the parties thereof.

1.0 OFFER SUBMISSION:

The offers should be submitted in sealed envelopes, within the prescribed time & date. The offers received by Fax/E-mail will not be considered. The **rates should be quoted in prescribed format in the tender. Tender submitted should be properly signed.**

The party should clearly mention in the offer their address, fax/e-mail/ telephone nos. Any change in the address should immediately be notified to the office of CGCDF.

Individuals submitting the offer and other related documents must specify whether he has submitted as in the capacity of the sole proprietor of the firm or constituted attorney of such proprietor. A partner of the firm, if it is partnership firm, attach partnership deed and Power of Attorney.

2.0 EARNEST MONEY DEPOSIT (EMD):

- 2.1 The party shall be required to deposit **EMD of Rs. 1.0 lakhs (Rs. One lakhs only)** along with the tender submission. The tender shall not be accepted without a valid EMD.
- 2.2 EMD in the form of Demand draft should reach physically in the office of CGCDF before 02.00 PM of 28.04.2020. The Demand Draft should be drawn in favor of Chhattisgarh Rajya Sahakari Dugdh Mahasangh Maryadit, payable at Raipur CG.
- 2.3 EMD of successful tenderer will be converted into Security Deposit (SD) and shall be retained till the completion of the tender validity period. No interest will be paid on this security deposit by CGCDF.
- 2.4 EMD of rejected parties will be returned to them with no interest .

3.0 PRICES :

- 3.1 The rates offered shall be valid for a period of 02 years from the date of tender. Period may be extended for six months depending on requirement or as the case be.
- 3.2 The offered price should be firm, clear and free from any escalations during the validity period.
- 3.3 (i) The tenderer should quote rates for **conversion charges** as per Schedule IV format.
 - (ii) The lowest rate so finalized will be inclusive of transportation charges of milk from the Urla bmy Charoda Durg plant transportation charges of SMP and Dairy Whitener pasteurized WB upto concerning dairy plant storage place.
 - (iii) Currently the approved milk transportation rate is Rs.38/- per KM for 20400 Kilo capacity tanker for Urla Dairy excluding toll tax.

- (iv) If the tenderer want to lift the milk by his/her own arrangement on lower rate in comparison to the approved by CGCDF, then such rate shall be the basis for comparison. The transportation charges shall be paid by CGCDF.
 - (v) For whole milk comparison of rate will be as per the lowest rate quoted by any of the tenderer for SMP and Dairy Whitener.
 - (vi) If the tenderer wants to lift the milk by his/her own arrangement from the Milk Dairy Plant, Urla BMY Charoda then in such case only conversion rate will be considered for comparison.
- 3.4 Rates should be quoted strictly adhering to specifications of SMP and Dairy Whitener and recovery norms of Fat and SNF as given in Schedule –II and quoted rates should be inclusive of all taxes and duties, if any.

4.0 INSURANCE :

- 4.1 Necessary transit insurance shall be arranged by CGCDF supplying milk for conversion.

5.0 PAYMENT :

- 5.1 The successful tenderer will be required to raise bills towards conversion charges on supplier dairy on fortnightly basis, payment of which will be made within 15 days of their receipt.

- 5.2 Payment shall be made by CGCDF through Cheque/RTGS/NEFT.

6.0 GENERAL TERMS & CONDITIONS :

The acceptance of the offer and award of the work order shall be the sole right of the MD, CGCDF who does not bind himself to accept any offer in whole or in part or reject any or all offers received without assigning any reasons and no explanation can be demanded of the cause of rejection of the offer by any of the tenderer.

Negligence on the part of the tenderer in submission of the offer confers no right to withdraw the offer after it has been opened. If the successful tenderer fails to accept milk and fails to make SMP/Dairy Whitener within the stipulated period mentioned in work order without any valid reason, then the order shall be treated as cancelled and EMD/SD/bills lying with CGCDF would be forfeited and the firm may even be blacklisted, if situation warranty.

CGCDF reserves the right to place order for conversion of entire quantity of milk with any party or split the order amongst two or more parties. In case of lack of capacity of lowest bidder L1 conversion plant, the quantity of milk to be converted will be shifted to lowest bidder 2 & 3 on acceptance of lowest bidder L1 rates by them.

The submission of a tender by a party implies that the firm has read the notice and terms and conditions of tender and has made himself fully aware of the scope and specifications of the work to be carried out.

We intend to convert up to 50,000 LPD milk from May - 2020 for 02 year period into SMP and DW. This quantity may increase/ decrease depending on conditions prevailing. No claim will be accepted in any case due to variation in the quantity of milk to be converted into DW & SMP.

The bidder must have minimum 40,000 ltr. milk per day spare capacity for conversion. For fulfillment of conversion requirement remaining quantity of milk can be provided to other bidder with their consent on the rates of L-I.

No person or firm is permitted to submit more than one offer under different names.

The firm shall not contract or assign (sublet) to any other party or parties the whole or any portions of the offer awarded by CGCDF.

The rate approval will be communicated with whom the successful tenderer will have to execute an agreement with CGCDF based on their surplus quantities of milk.

Conversion plants will ensure hygienic and sanitary condition for storage of SMP and DW on plastic planks/pallets in clean and dry place away from sunlight. The place should be free from dust and pest/rodent environment.

Converted products SMP and DW will be lifted by CGCDF in 30 days time from the conversion date. The extension of this period can be modified with mutual consent between CGCDF and conversion dairy plant.

7.0 QUALITY CHECKS/PARAMETERS :

7.1 The successful tenderer shall have to carry out job in strict hygienic & sanitary environment conforming to the basic standards laid down under Food Safety & Standards Act 2006 and other rules and regulations prevalent. Violation of any clause of different Acts shall be the sole responsibility of the successful tenderer. The FSSAI license for DW and SMP is mandatory for all the bidders.

7.2 SMP shall have to be manufactured BIS marked and DW as per specifications and recovery norms of Fat and SNF as given in Schedule II of the tender document.

7.3 The successful tenderer shall ensure the availability of all manufacturing and testing facilities at the factory premises and maintain them properly including their calibration and stamping at regular interval to ensure precision testing. Milk is to be tested using a long stem Lactometer at 27°C and formula to be followed for SNF% calculation shall as below :

$$\text{SNF\%} = \frac{\text{CLR}}{4} + \text{Fat\%} \times 0.25 + 0.44$$

7.4 SMP be packed in quantities of 25 kg primarily in bags of food grade polyethylene (see IS 10171) of minimum thickness 0.05 mm. The bags should be properly closed by tying with a string or a rubber band and shall be subsequently encased in secondary outer packing in any of the following :

a) Sacks conforming to IS 11824 and

b) Multi walled Kraft paper, such as crepe Kraft paper bags of not less than 80 GSM grade lined with Hessian cloth having a mass of 270 GSM and having two inner layers of plain Kraft paper of not less than 80 GSM. In case packing material is provided by CGCDF, no losses in packing material will be accepted.

Dairy Whitener will be packed in 200gm, 100gm, 32gm and 12 gm with food grade printed film as per specification of CGCDF.

If packaging material is not provided by CGCDF, the successful tenderer/conversion plant will have to arrange for packing material as per the given specification and printing materials after securing approval of CGCDF.

It will be the responsibility of the approved conversion plant to ensure unloading of milk of CGCDF immediately on receipt and testing of milk. In case of inordinate delay in unloading of tanker, affiliated milk union may impose penalty in lieu of disruption in working schedule and associated direct or indirect losses.

Conversion plants will ensure the maximum limit of moisture% in SMP is as per the given specifications. Any increase in moisture%, the CGCDF will impose prorata deductions on less SNF in SMP, which will be calculated on the basis of Rs. 250/- per kg SNF.

The conversion plant will ensure to supply Dairy whitener Fat as per the given recovery norms in case of short receipt of Dairy Whitener Fat, the CGCDF will impose prorata recovery for the less quantity Fat received, which will be calculated on the basis of Rs. 350/- per kg fat.

It will be responsibility and liability of conversion milk plants to ensure that SMP and DW manufactured & supplied to CGCDF . Conversion plant should ensure appropriate coding of batch nos. of SMP and DW and should keep record of corresponding raw material, i.e. name of source, quantity and quality report so that back tracing of sources of ingredients i.e. raw material used in particular batch should be available at the plant as per guideless of FSSAI.

The authorized representative of CGCDF shall inspect the premises in regard to sanitation and hygienic practices, conditions , records regarding the quality of raw milk, quality and manufacture of Dairy Whitener and SMP , packaging materials ,packaging practices etc as may be directed by the authority.

8.0 INSPECTIONS :

- 8.1 All the SMP/DW produced are subject to inspection before acceptance. If they are rejected on quality grounds, then the party will have to manufacture SMP/DW from own resources and supply equivalent quantity of SMP/DW as per standards **or** the landed cost of milk supplied will be recoverable from the successful tenderer. CGCDF inspection report in this regard shall be treated as FINAL.
- 8.2 An inspection of the works and factory of the successful tenderer shall be performed by a team of CGCDF officers & experts to ensure all the parameters, machinery, plant, equipments and requirements as per FSSAI's GMP & GHP provisions. In case of any discrepancy or shortcomings the work order will be cancelled, the EMD will be for forfeited & the firm will be black-listed.

9.0 QUALITY & TESTING VARIATION

- 9.1 In case of variation in quality, Fat and SNF the tenderer have to intimate immediately to Related officer(QC/Prod.) of CGCDF. Such type of issues shall be resolved after only written consent/approvals mutually, in due course.
- 9.2 In failure of clause 9.1 by conversion plant, the testing and quality report of CGCDF will be final and binding.

10.0 TERMINATION OF CONTRACT :

- 10.1 If any act of commission or omission of conversion plant brings the CGCDF to a situation of dispute, the CGCDF shall be competent to debar/blacklist the conversion plant from further business and Security Deposit also shall be forfeited.

11.0 CONSEQUENCES OF BREACH OF AGREEMENT :

- 11.1 If the authorized person of the conversion plant or a partner in the contract/tendering firm commit breach of any of the conditions of agreement it shall be lawful for the MD of CGCDF to cancel the contract and recommend for forfeiture of the Security Deposit lying with CGCDF.

12.0 DISPUTE ARBITRATION & FINAL AUTHORITY :

- 12.1 For matters of dispute relating to the interpretation of the above clauses, the decision of the MD, CGCDF shall be final and binding on all concerned.
- 12.2 It should be clearly understood that once agreement is executed between the CGCDF and the successful tenderer then in the event of the successful tenderer failing to accept and execute the work order or any dispute arising there of, the Managing Director of CGCDF will be the Sole Arbitrator in this respect and his decision and award will be final and binding to both the parties.
- 12.3 For all disputes, the venue for legal course shall be at Raipur.
- 12.4 **No correspondence will be entertained regarding tender after submission of tender document.**

Managing Director

SCHEDULE - II

Specifications of Skimmed Milk Powder and Dairy Whitener

A. Skimmed Milk Powder

Particulars	
BIS Specification	IS:13334 (Part 1)
Moisture % by mass max	3.5%
Total solids (milk solids) % by mass min.	96.5%
Fat % by mass	Less than 1.25%
Insolubility Index Max	1.5 ml
Total Ash (on dry basis, percent by mass max	8.2
Titration acidity (lactic acid), percent by mass max	1.5
It should be free from any neutralizer/adulterant	
Bacterial count not more than per gm.	50,000
Coliform count in 0.1 gm	Nil
Protein % min.	34%

B) Dairy Whitener

Specification	As per FSSAI
Milk Protein %(in solid not Fat), min.	34%
Moisture % by mass max	2.5 %
Added Sugar(As sucrose)	Max-18%
Fat % by mass	15% min
Insolubility Index Max	1.5 ml
Total Ash (on Moisture, added sugar and Fat free basis)	9.3 Max.
Titration acidity (lactic acid), percent by mass max	1.5
It should be free from any neutralizer/adulterant	
Bacterial count not more than per gm.	40,000
Coliform count in 0.1 gm	Nil

(C) Fat and SNF recovery norms :

For Dairy Whitener	For Skimmed Milk Powder	
TS Recovery	Fat Recovery	SNF Recovery
Output of DW (TS) receipts of 100kg to give 100kg (100% of TS) with 2.5% Moisture.	--	SMP of 101.2% of SNF in SM with 3.5% Moisture

SCHEDULE III

Form of General and Technical details of the tenderer :

A General Information :

I/We hereby furnish following particulars about my/our unit (s)

1. Name of unit : M/s. _____
2. Address of the unit : 1. Office _____

2. Factory _____

3. Name of Proprietor/Partner(s) : 1. _____
2. _____
3. _____
4. Name with designation of the person authorized (if any) to sign the documents on behalf of the unit. : _____

5. Telephone Nos. & Mobile No. : Office _____
Factory _____
Fax no. _____
e-mail _____
6. Particulars of the registration certificate issued by the competent authority, Registration No. & date : _____

7. TIN/G.S.T No. : _____ dated _____
(furnish a photocopy)
8. PAN (furnish a photocopy) : _____
9. Whether the unit or sister concern unit or any unit of their Proprietorship or Partnership, (if any) has been Blacklisted/debarred or penalized by any Central or State Government Organization or Cooperative Organization at any time. : Yes / No
If the reply is 'yes' please give details below

10. FSSAI license no. for DW & SMP : _____
(furnish a photo copy of license)
11. Whether valid license for ISI mark SMP manufacture is available (furnish a photo copy of license) : _____

12. Valid factory license detail : _____
(Enclose Photocopy) _____

Seal & Signature of the tenderer

B Technical Information:

1. Names of products/fluid milk being manufactured and packed at the works with brand name (s) :

2. Whether the tenderer is engaged in pouch milk marketing :

3. Details of other dairy units whose milk has been converted into products in last 3 years :

4. Milk processing and products manufacturing capacity of the plant :

Milk : _____

DW : _____

SMP : _____

5. Spare capacity of plant being offered for conversion :

6. Details of SMP manufacturing & storage facilities :

Type and make of spray dryer : _____

Capacity : _____

Fuel used : _____

Type of air heating system : _____

Capacity available for storage of SMP : _____

7. Details of Dairy Whitener manufacturing & storage facilities :

Type and make of spray dryer : _____

Capacity : _____

Fuel used : _____

Type of air heating system : _____

Capacity available for storage of DW : _____

C. Required qualification of the bidder:-

The bidder must have:-

1. Registration for GST
2. Valid & active PAN issued by I.T. Department.
3. I.T. return for the last 03 financial years(2016-17, 2017-18 & 2018-19)
4. Experiences- should have minimum 01yr. manufacturing and packed product for self and other dairies.
5. The bidder must attach the documentary proof for all the above criteria.

Seal & Signature of the tenderer

SCHEDULE IV
(RATES SHOULD BE SUBMITTED IN THIS FORMAT)
FINANCIAL BID

A. Skimmed Milk Powder

SN	Particular	Unit	Bare Rate in Rs.	GST %	GST Amt.	Total Amt
1	Conversion charges of SMP (BIS marked) as per given specifications inclusive of all taxes	Per Kg				
2	Cost of packing material for SMP (if packing material is supplied as per given specification) inclusive of all taxes	Per Kg				
3	Cost of Packing Charges of 1000gm SMP pkt inclusive of all taxes	Per Kg				
4	Cost of Packing Charges of 500gm SMP pkt inclusive of all taxes	Per Kg				
5	Cost of Primary Packing Material (Laminated Pouch film) (if packing material is supplied as per given specification) for 1000 gm SMP inclusive of all taxes	Per Kg				
6	Cost of Primary Packing Material (Laminated Pouch film) (if packing material is supplied as per given specification) for 500 gm SMP inclusive of all taxes	Per Kg				
7	Cost of Secondary Packing Material (Corrugated boxes including Gum Tape) (if packing material is supplied as per given specification) for 1000gmx10 SMP Pkt inclusive of all taxes	Per Kg				
8	Cost of Secondary Packing Material (Corrugated boxes including Gum Tape) (if packing material is supplied as per given specification) for 1000gmx12 SMP Pkt inclusive of all taxes	Per Kg				
9	Cost of Secondary Packing Material (Corrugated boxes including Gum Tape) (if packing material is supplied as per given specification) for 500gmx20 SMP Pkt inclusive of all taxes	Per Kg				
10	Loading Charges	Per Ton				

- Note :-** 1. Yield norm will be followed strictly and rates quoted include all hidden charges and activities.
2. Material is provided by CGCDF no packing losses will be permissible.
3. No any other additional payment will be claimed other than quoted rates during the tender period.
